

PARKS & TRAILS

Huntsville's great outdoor surroundings provide a fantastic opportunity to lead a happy, healthy and active lifestyle.

Jog the Hunters Bay Trail, swim at Hutcheson Beach, play in River Mill Park, hike to Lions Lookout — Huntsville has all that and more.

TRAILS

Please remember to use etiquette on all trails. For those travelling faster than other walkers (i.e. cyclists, runners) please let those ahead of you know that you will be passing. Please note, some of the trails listed below are indicated on the Town of Huntsville Map located on pages 90 and 91 of this guide.

TRAIL NAME	DIFFICULTY	DESCRIPTION
Fairy Vista Trail Paved 3.4km	Moderate	The Fairy Vista Trail is an all-season trail travelling through fields, forests and wetlands. This trail is for all types of recreational activity with the exception that NO motorized vehicles are permitted. The Fairy Vista Trail is accessible near the corner of Hwy #60 and Fairyview Drive.
Hunters Bay Trail 3.8km	Moderate	The Hunters Bay Trail is a walking, running and cycling trail. It begins at the Centre Street bridge near Uponor and winds along the river, under the railway trestle, along the south side of Hunters Bay, through Avery Beach Park and onwards to the Hwy #11 corridor. This is an ideal place to relax while fishing, swimming or just enjoying the trail. There are several areas along the trail to stop and enjoy the scenery. Orchard Park, at the west end of the trail, looks down the full length of the bay.
Trans Canada Trail 52km One Way Multiple Entry Points	Easy-to-Moderate	The Trans Canada Trail in Huntsville starts at the north end of town; the first 10km winds through the woods on a natural surface. The next 13km are on secondary roads and Town streets. There are a variety of pedestrians and vehicles sharing the road. The next 3.8km are on the Hunters Bay Trail on a natural surface. The remaining 25km are mainly along secondary roads with some paved and gravel sections.
Lions Lookout Trail 1.3km	Intermediate	The Lions Lookout Trail can be accessed at the intersection of Forbes Hill Drive and Camp Kitchen Road, behind the Active Living Centre at the Canada Summit Centre. The trail follows Camp Kitchen Road along the Muskoka River to Fairy Lake. The trail then crosses the Portage Flyer railway tracks and heads up a steep slope to the top of the sports track. The trail continues around the track and along the roadway to Forbes Hill Drive.
