Stone Carving with Elise Muller
Ages 10 +
Materials Fee \$15 each

Learn the art of stone carving with sculptor Elise Muller of Stone Tree Studio.

You will start off learning the basic tools and proper use by carving small touchstones or necklaces. After mastering that, you will design and carve a soapstone sculpture. Pick a symbol important to you - it could be an animal, person, or something else! The tools we will be using are hacksaws, rifflers/rasps/files and polishing papers. Gloves and dust masks will be provided. You may wish to bring an apron or wear old clothes.

Elise will be offering her workshop at the Signal North Gallery. Go to www.huntsvilleartsociety.ca to register today.
