

Introducing

Mary Spring

Educator

Mary Spring is a long term resident of Huntsville. She worked as an elementary school teacher in Huntsville for 30 years before retiring in 2010. Since then, Mary has enjoyed the freedom for outdoor pursuits, singing in a Rock Choir, painting and sewing. Mary and her friend Terri Howell received a Pay it Forward grant from the District of Muskoka which allowed them to introduce the basics of machine sewing and the creation of artistic landscapes to young people in Muskoka. Mary feels fortunate to live in such a beautiful area with such a wonderful community of people.

Mary will be offering her workshop **with Terri Howell on March 19** from 9:30-4:30 at the Signal North Gallery as part of ***The Art Sampler Workshop Series***. To register for this workshop or more go to www.huntsvilleartsociety.ca

Get Creative at the Station this March Break!!!
